MESSAGE

The Museum Committee of the High Court of Sikkim has compiled a Compendium which is indeed a commendable milestone in the history of the judiciary in Sikkim.

The Compendium traces the evolution of the Judiciary in Sikkim from the pre-merger days, bringing out all facets of the justice delivery system in Sikkim over the years.

The High Court has completed 62 years of its existence and the compilation is a delightful commemoration of the invaluable services rendered through these decades.

I convey my sincere felicitations to all those associated with this work and offer my heartiest congratulations.

(Justice Meenakshi Madan Rai)
