MESSAGE

The judicial history of Sikkim has been confined to the memories of the elderly and in scattered records. The setting up of the Museum Committee initiated by Hon'ble Mr. Justice Satish K. Agnihotri, Chief Justice, High Court of Sikkim propelled the process of collating historical records and artefacts and understanding them-resulting in the creation of this Museum. A lot is yet to be done and is required to be done but I am happy and in fact privileged to have been a part of this journey to document our heritage.

The compendium so ably compiled by Ms. Yangchen D. Gyatso, Advocate is the culmination of the efforts of the Museum Committee over the last one year under the guidance of the Chairman Justice A.P Subba (Retd.).

The Museum as well as the compendium are one of its kind and I hope it will help research scholars, judges, lawyers, students and citizen of this Country to understand and appreciate the developments in the law as well as the judicial system of Sikkim.
